

# FUNDING

We are a 501(c)3 charitable organization. Our EIN # 26-3345637. We were formed and incorporated in September of 2008.

All donations are tax deductible according to IRS standards. We publish our records on our site at the end of every year. If you would like to check it out you may go to <http://farec.org/financial.htm> or you may also check us out at the following: <http://greatnonprofits.org/reviews/find> or at <http://www.guidestar.org/rxg/about-us/index.aspx>

Donations are accepted either for general funding or for specified funding for animals in need and for rescues and sanctuaries. All donations are non refundable unless it is specified and agreed upon prior to sending the donation.

Specified donations are just that. Specified for special needs. If there are any excess of funds left, they are then used for other animals. Also we will withhold three percent of all specified checks to cover stamps, envelopes and processing beginning in January 1, 2014.

Non specified or general donations are used where and when needed to help animals all around the United States.

If you have any questions about donations and how they are used that are not answered here, you may call us at anytime.

We appreciate each and every donor. This is your organization and we can't do it without you.
